

**Job Title:** Endocrinologist

**Location:** Ansonia

---

**Job Summary:**

Griffin Faculty Physicians is actively seeking an endocrinologist to join our group, providing high quality medical care to patients in an office-based as well as inpatient setting.

**Job Responsibilities:**

- Provides specialized medical care to patients with problems relating to the endocrine system.
- Examines patients, obtains medical histories.
- Orders, performs and interprets diagnostic tests as needed.
- Creates treatment plans.
- Initiates appropriate referrals to specialists and hospital programs.
- Ensures proper patient documentation is timely, accurate and complete.
- Works with practice management to ensure proper compliance with billing and coding.
- Promotes wellness and health education in the community.
- Participates in on-call coverage for the practice and hospital. Call rotation of 1 in 3.
- Provides quality supervision of residents, medical students, nurses, medical assistants, nurse practitioners, physician assistants and other clinical staff at the site.

**Education/Licensing Requirements:**

- Graduation from accredited medical school (MD or DO).
- Graduation from accredited Endocrinology fellowship program.
- Valid and unrestricted Connecticut medical license or ability to obtain.
- Valid DEA registration and Controlled Substance Certificate.
- Board certified in endocrinology (or Board Eligible for recent grads).
